

Front-Panel Revision Checklist

A generic review sheet for a confirmed separate printed panel, graphic overlay, or membrane interface.

1. Part boundary

- ☐ Separate component is confirmed
- ☐ Part number and owner are recorded
- ☐ Front/back photo or drawing is attached
- ☐ Complete LCD/HMI is excluded

2. Geometry

- ☐ Outer profile and housing opening match
- ☐ Window cutout and clear area are defined
- ☐ Adhesive land and sealing edge are shown
- ☐ Tail route and connector clearance are checked

3. Artwork + revision

- ☐ Artwork file and drawing share one revision ID
- ☐ Text, icons, colors and finish are approved
- ☐ Window registration tolerance is recorded
- ☐ Old revision is blocked from repeat production

4. Repeat supply

- ☐ Approved sample reference is recorded
- ☐ Inspection points and limits are defined
- ☐ Production and service stock use the same revision
- ☐ Change approval owner and date are documented

Decision record

Part boundary: IN SCOPE / OUT OF SCOPE / MORE EVIDENCE NEEDED

Reviewer: _____ Date: _____ Revision / photo ref: _____
