

# Interface-Panel Quote Template

Use only after confirming a separate printed overlay, membrane interface, or external laminated panel. This is not a quotation.

## Part / project reference

Drawing or photo ref: \_\_\_\_\_ Revision: \_\_\_\_\_ Quantity: \_\_\_\_\_

Confirmed component: overlay / membrane interface / external laminated panel / other: \_\_\_\_\_

| Line item           | Supplier A | Supplier B | Comparison note                     |
|---------------------|------------|------------|-------------------------------------|
| One-time tooling    |            |            | Tool type / ownership / revision    |
| Prototype samples   |            |            | Qty / inspection / shipping         |
| MOQ                 |            |            | Minimum order quantity              |
| Repeat unit price   |            |            | Quantity break and currency         |
| Material + adhesive |            |            | Film / adhesive / finish            |
| Printing + windows  |            |            | Colors / cutouts / registration     |
| Assembly scope      |            |            | Included sub-parts only             |
| Inspection/testing  |            |            | Defined for confirmed component     |
| Packing + freight   |            |            | Delivered or sourced-cost basis     |
| Lead time           |            |            | Sample approval / repeat production |

## Comparison gate

Same part boundary? YES / NO    Same revision? YES / NO    Same inspection scope? YES / NO
